# DEAR SAILORS

**Welcome in beautiful Portoroz, welcome to Jadralni klub Pirat and to Sailing Center Portoroz!**
Please find below some basic information about the venue and the Championship:

**1. WHERE IS WHAT**

**2. BOAT PARK**
We did our best to transfer club's and club member's boats to a different location, to provide enough space for you at the club's yard.
Spots are not allocated, but try to respect the lines with boats we will try to suggest.

**3. PARKING**

Most of the facilities and accommodation are at walking distance. We have a limited number of free parking spaces for cars/vans around the club, so please be smart and consider walking or biking or taking a bus to get to the venue.

**After you unload the boat, please be so kind and take the trailer to the Trailer parking (P1). From Friday 15th!**

**Thank you!**

The following parking areas have been assigned to us:

- FREE Parking for Trailers and Cars: Parking **by Hotel Marko** – 600m from the venue (See **P1**) **– From Friday 15 Sep!**
- FREE Parking for Cars/Vans: Parking **by Turistica** – across the road from the venue (See **P2**)
- Payable Parking for Cars/Vans: Parking next to the venue (See **P3**)
- Pirat Parking (15 spots): parking at the club for Staff and Regatta Support only (See **P4**)

Please respect the parking policy and be aware that the slots are not allocated.

All other vehicles (Campervans, Caravans, Camper Trailers,…) are not allowed in mentioned parking areas, so please be so kind and find your spot at Camping Lucija or Caravan Park in Marina Portoroz.
